

St Vincents & Mercy Hospital sign for THELMA

St Vincents & Mercy Private Hospital, one of Australia's largest private non-profit Catholic hospitals, has undertaken to use THELMA.

With 430 registered beds, St Vincents & Mercy Private is the largest hospital to connect to THELMA. The hospital complex provides a comprehensive range of surgical specialties and treatment procedures and is located across two campuses in Fitzroy and East Melbourne.

Mr Kevin Dalton, the Director of Services at St Vincents & Mercy Private Hospital, said "Medibank Private going live with Eligibility was the trigger for us signing up to THELMA. Efficiency in the admission process will improve further once the remaining health funds are on-line."
