

ASX RELEASE - 8 SEPTEMBER 2005

Teachers Federation Health signs up for THELMA

Teachers Federation Health ("Teachers"), the private health fund for educational union members and their families, have signed a three year User Agreement to use THELMA for eligibility checking and now have the ability to receive claims electronically.

Teachers is the ninth largest health fund in Australia, with some 77,000 members.

Teachers is also the largest of the 23 health funds that use the HAMBS member management software, which THELMA is fully integrated to. Teachers will go live on THELMA next week.

About ICSGlobal and THELMA

ICSGlobal's core business is the ownership and operation of the unique "any-to-any" health industry clearing house technology THELMA (Transactional Health Exchange Linking Multiple Applications). THELMA creates interoperability between the broad range of new and legacy software systems that typically exist in health systems. This enables health industry business partners in any country to conduct financial, clinical and administrative transactions electronically over the Internet.
